Kindergarten Weekly

Week of October 24-28, 2016

Language Arts/Reading: Reading, Pumpkin, Pumpkin which teaches the kids the life cycle of a pumpkin. We will then be doing a comprehension sequencing activity to help the kids remember the story. The kids are also making their own Halloween I Spy books. We will be emphasizing left to right progression of words as well as one-to-one correspondence with words (pointing to each word as your child reads). Learning high frequency popcorn word "to" and reading book, We Like To Tap. We will also be learning the "ap" word family…cap, lap, map, nap and tap. Learning word families helps emergent readers see patterns in words.

How to help: Have your child read his/her I Spy book to you…this activity is made for two people☺ Please remember to keep the popcorn word books we send home in a special spot so that your child may read them over and over. Repeated readings and exposure to the words is the best way for them to remember them.

Math: Last week for graphing (we got a bit behind)

Other: Halloween festivities on Monday, October 31st! Kindergartners should wear their costumes to school. Masks or accessories should not be worn to school but can be brought in a bag and then worn for the parade. Morning parade is 10:15-10:30 and afternoon parade is 1:30-2:00. The parties will follow the parade and they are for the kids only and the adults that have volunteered as helpers. If your child would like to bring something to pass out to his/her friends it has to be a non-food item. That includes goodie bags. If your child brings any food or candy we will have to send it back home. Report cards will come home on Friday, October 28th. Just a reminder that the kindergarten 1st quarter report cards are a narrative only. Please sign the report card envelope and send it back to school in your child's folder. The narrative is yours to keep. Your parent teacher conference time is listed on the narrative. If you need to change your conference please contact your child's teacher directly.
