

# Chess Scholars

Fall 2016

Raymond A. Benson Primary

No Experience Needed

Trophy  
Medals  
Chess Belts!

GRADES K-2

Develop your child's intellect through the fun game of chess! Current research has shown a strong link between chess and academic performance in a variety of areas, including mathematics and language arts. Also, chess has been proven to enhance motivation, concentration, focus, social skills, and creativity.

No previous knowledge of chess is necessary. Each class will consist of a fun, interactive teaching period and guided practice time. Both new and returning participants are welcome and will get to the next level under the guidance of an experienced Chess Scholars coach. There will also be a chess competition with prizes towards the end of the session! Each child will receive a participation medal and a chess keychain.

## Acting is Fun!

Perform  
in a Play!

GRADES K-2

No previous acting experience is necessary. New and returning students are welcome to join and participate in new skits and theater games. The theater games help the students use their creativity to communicate and improvise. Every student will play at least one lead role per session. The students will learn theater terms, the parts of a skit, and goals of the characters. On the last day of the program, the skits will be performed, and each child will receive a participation award. Parents are invited to attend the performance on the last day!

**Course Time:** Wednesdays, October 5th - November 30th, 3:25 PM - 4:25 PM
