Also include all amounts paid to or for other employees within each function that work with specific federal grant programs in the same capacity as those charged to and reimbursed from the same federal grant programs. For example, if a district received funding for a Title I clerk, all other salaries for Title I clerks performing like duties in that function must be included. Include any benefits and/or purchased services paid on or to persons whose salaries are classified as direct costs in the function listed.

**The accompanying notes are an integral part of this schedule.**

<sup>1</sup> To meet state or other requirements, auditees may decide to include certain nonfederal awards (for example, state awards) in this schedule. If such nonfederal data are presented, they should be segregated and clearly designated as nonfederal. The title of the schedule should also be modified to indicate that nonfederal awards are included.

<sup>2</sup> When the CFDA number is not available, the auditee should indicate that the CFDA number is not available and include in the schedule the program's name and, if applicable, other identifying number.

<sup>3</sup> When awards are received as a subrecipient, the identifying number assigned by the pass-through entity should be included in the schedule.

<sup>4</sup> Circular A-133 requires that the value of federal awards expended in the form of non-cash assistance, the amount of insurance in effect during the year, and loans or loan guarantees outstanding at year end be included in either the schedule or a note to the schedule. Although it is not required, Circular A-133 states that it is preferable to present this information in the schedule (versus the notes to the schedule). If the auditee presents non-cash assistance in the notes to the schedule, the auditor should be aware that such amounts must still be included in part III of the data collection form.

NOTES TO THE SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS (SEFA)  
Year Ending June 30, 2006**

**Note 1: Basis of Presentation<sup>5</sup>**

The accompanying Schedule of Expenditures of Federal Awards includes the federal grant activity of **[Entity #XYZ]** and is presented on the **[Identify Basis of Accounting]**. The information in this schedule is presented in accordance with the requirements of Office of Management and Budget Circular A-133, Audits of States, Local Governments and Non-Profit Organizations. Therefore, some amounts presented in this schedule may differ from amounts presented in, or used in the preparation of, the **[General-Purpose or Basic]** financial statements.

**Note 2: Subrecipients<sup>6</sup>**

Of the federal expenditures presented in the schedule, **[Entity #XYZ]** provided federal awards to subrecipients as follows:

Program Title/Subrecipient Name	Federal CFDA Number	Amount Provided to Subrecipients

---

<sup>5</sup> This note is included to meet the Circular A-133 requirement that the schedule include notes that describe the significant accounting policies used in preparing the schedule.

<sup>6</sup> Circular A-133 requires the schedule of expenditures of federal awards to include, to the extent practical, an identification of the total amount provided to subrecipients, from each federal program. Although this example includes the required subrecipient information in the notes to the schedule, the information may be included on the face of the schedule as a separate column or section, if that is preferred by the auditee.

<sup>11</sup> A suggested format for assigning reference numbers is to use the last two digits of the fiscal year being audited followed by a numeric sequence of findings. For example, findings identified and reported in the audit of fiscal year 2003 would be assigned a reference number of 02-01, 02-02, etc.  
<sup>12</sup> Provide sufficient information for judging the prevalence and consequences of the finding, such as relation to universe of costs and/or number of items examined and quantification of audit findings in dollars.  
<sup>13</sup> See paragraphs 5.18 through 5.20 and 7.38 through 7.42 of Government Auditing Standards for additional guidance on reporting management's response.
