Teacher Responsibilities

- Ensure a student with a suspected allergic reaction is accompanied by an adult at all times.
- Keep a copy of the student's Emergency Action Plan and IHCP in the classroom sub folder.
- Inform parents of the allergic student in advance of any in-class events where food will be served.
- Ensure that food or products containing the student's allergens are not used for class projects, science experiments, or celebrations.
- If the parent of a student with a food allergy is not attending a field trip, the student will be assigned to a staff member who has been trained to implement the Emergency Action Plan and is carrying the emergency medication.
- Plan for the following on field trips: oversee cleaning the table of the student with food allergies before eating, ensure the student with the food allergy washes his/her hands before eating, ensure the student with the food allergy eats only allergen free food or food supplied by the parent, carry a cell phone to call 911 if needed, and review the Emergency Action Plan before the field trip.
- Implement accommodations that parent indicated, "yes" in parent section.
