Illinois State Law Requires Mandatory Dental Exams for All Kindergarten, Second and Sixth Grade Students

December, 2014

Dear Guardian,

The state of Illinois mandates that all children in kindergarten, second and sixth grade of any public, private or parochial school have documentation on file of a recent dental exam. If you have not submitted a dental examination form for the 2014-2015 school year, please do so at your earliest convenience. If you have any questions, call Benson at 630-773-0554 or Peacock at 630-773-0335 and ask to speak to one of the nurses.

Thank you,

Nancie Weber, RN, BSN
