

## **Instruction**

### **Student Testing and Assessment Program**

The District student assessment program provides information for determining individual student achievement and instructional needs, curriculum and instruction effectiveness and school performance measured against District student learning objectives and statewide norms.

The Superintendent or designee shall manage the student assessment program that, at a minimum:

1. Uses the State assessment system and any other appropriate assessment methods and instruments including norm and criterion-referenced achievement tests, aptitude tests, proficiency tests, and/or teacher-developed tests.
2. Tests the grades and subjects according to the schedule required by the State assessment system. The District's assessment program may include testing students in grades not required by State law to be tested.
3. Tracks the achievement of all students.
3. Utilizes professional testing practices.

Overall student assessment data on tests required by State law will be aggregated by the District and reported, along with other information, on the District's annual report card. Board policy 7:340, *Student Records*, and its implementing procedures govern record keeping and access issues.
