

A Note From First Grade

Weeks 11 and 12 we will continue our second reading book, Catch A Dream. Our stories are "Boots for Beth" and "Space Pup. We will be learning about telling parts of sentences.

Word Wall/Reading
Words:

Week 11: could, friends,
new, put, she, use

Week 12: gives, he, might, out,
people, says, when, your

Spelling Words:

Week 11: then, them, this,
that, path, with, men,
set, was, said

Week 12: us, bus, bug, rug,
mug, must, with, then,
she, use

Weeks 11 & 12

In math we will be completing chapter four on addition and subtraction facts to 12. Students will be taking their fourth math chapter test. In this chapter, students began practicing math addition and subtraction facts from 1-12. At conferences, parents will receive a set of math addition fact flash-cards to use for home practice to increase math fact memorization. We will then begin chapter five on addition facts to 20.

In social studies, we will be working on Our Government.

Report cards will be sent home soon. Remember that at the first grade level, these are "progress reports" and not grades. At your conference time, your child's teacher will be able to share with you more details about your child's academic growth and personal development. Conferences are a great way for parents and teachers to share insights about each child's school and home growth and development.
