## Benson's K-2 Reading Program

Various things will be coming home with your child from Project Prevent. Below are some examples of what you may be seeing.

### Cut-Up Sentences

Your child's journal sentence was written on a strip. We cut it apart and worked on putting it in order and reading it. See if you can put it back together! These can be kept at home.

### Books

Have your child read his/her book to you. It may seem easy, and almost as if it has been memorized. We have read it and talked about it several times. **BOOKS NEED TO BE RETURNED TO SCHOOL THE NEXT DAY!**

### Spelling Sheets

We practice a variety of word families and vowel patterns in our lessons. Part of that involves taking a short spelling test. Feel free to use these words in your own games and activities as extra practice.
