Hello all Benson & Franzen families,

The IEPTO has recently started an email blast. This email will be twice per month and includes a calendar of all upcoming IEPTO events. Also attached to the email will be any flyers that pertain to the events.

Any family that has their email address listed in the IEPTO telephone directory was included on this blast. If you would like to be included but are not listed in the directory or did not list your email address, please fill out the information below and return it to Benson or Franzen to my attention as soon as possible.

Also, if your email address has recently changed and may not be reflected in the directory this would be a great opportunity to update it. If you have more than one email address and would prefer the blast sent to one over the other or if you would like me to send the email to more than one email address (i.e. home and work, both parents) please list them below.

If you received the first email blast on January 6<sup>th</sup> then we are up to date.

If you have questions please contact me or any one of the board members.

Thank you,  
Lisa Ciccia
