Mr. Jeffrey J. Murphy, Principal

January 6, 2012

Dear Franzen Intermediate Parents,

During the weeks of January 9-20, 2012 students in third through fifth grade will be taking the winter benchmark of the online assessment, Discovery Education. This assessment evaluates reading and math skills and will be taken during the school day in the computer lab during a 45-60 minute period for each reading and for math (week one is reading and week two is math).

Your child's Discovery Education results will be utilized by your child's teacher to monitor growth, and plan individualized instruction to best meet their needs in the upcoming months. Please feel free to contact me at 630-773-0100 should you have any questions regarding this assessment.

Sincerely,
Jeffrey J. Murphy
Principal, Franzen Intermediate School
