Questions

Dear Parents,

The seventh grade team will facilitate a number of projects and activities that all children will be expected to participate in, along with some that are more exclusive. We will establish higher expectations for your child reflecting his or her talents. We will include these expectations as we assess your child's work.

To help you track your child's TAG progress, we have listed for your information some major projects and activities that we expect to assign during the first quarter.

Language Arts: Accelerated Reader and higher-level questions and activities

Mathematics: enrichment sheets and project

Science: higher-level questions on tests

Spanish: possible outside reading

Social Studies: Differentiated Instruction Management System and Accelerated Reader

The requirements and expectations for each project or activity will be detailed at the time of the assignment. If you have any questions about any of the projects or activities listed above, please do not hesitate to contact the teacher initiating the assignment.

Sincerely,

Ms. Kabat, Ms. Kaye, Mr. Larsen, Mr. Mathelier, and Mr. Poremba
Seventh Grade Core Teachers
